Memo.No.K1/Upgradation/4357/2012-Vol II

Dated: 19.05.2016

Sub: TECHNICAL EDUCATION – MHRD – Upgradation Scheme – Submission of additional equipment proposals as per the revised C-14 Syllabus – Certain Instructions – Issued.

Ref: Lr.F.No.16-3/2010-TS.IV, Dated: 17.12.2013 of the MHRD, New Delhi.

-----0000-----

The attention of the Principals as in the address entry is invited to the reference cited, wherein Government of India, MHRD has sanctioned Grant in Aid to this State under Centrally Sponsored Scheme of Upgradation of Existing Polytechnics.

In this connection, it is informed that as per the proposals submitted by the Principals earlier for the purchase of equipment under Upgradation Scheme, all the proposals were vetted by NITTTR, Chennai. However, it is noticed that all these proposals were prepared long back during the C-05 Scheme and subsequently the syllabus for diploma courses offered in this State has been revised two times i.e., C-09 and C-14. Keeping in view the new syllabus/ curriculum, certain new equipment have to be identified which are not included in the earlier proposals and which are necessary for teaching the new curriculum.

Hence, the Principals of Govt. Polytechnics are hereby requested to identify the additional equipment which are required for implementation of C-14 curriculum and any other equipment which were not included in the earlier schemes and send necessary proposals so as to enable this office to forward the same to the NITTTR, Chennai for vetting as additional list of equipment required in view of the new curriculum to the already vetted list. The information should reach this office on or before 31.05.2016 in the proforma attached to this memo.

This may be treated as most urgent.
