The Principals attention is drawn to the references cited and they were instructed several times for implementation of online bio-metric attendance system both for staff and students on regular basis. As such the same is monitored on daily basis and weekly average performance status is communicated.

But it is observed that some of the principals are not maintaining the Bio-metric attendance of the staff and students on regular basis, in spite of repeated instructions. The latest weekly status is enclosed herewith.

Henceforth average weekly performance will also be reviewed and poor performers without justified cause will be viewed seriously. Necessary disciplinary action will be initiated accordingly.

Hence the principals of Government Polytechnics under the control of this Department are once again instructed to take all necessary steps to post bio-metric attendance.
