TS-INDUSTRY WATCH

Hon'ble Chief Minister
Shri K Chandrashekhar
Rao

A newsletter by Industries & Commerce Department,
Government of Telangana

Hon'ble Industries
Minister Shri KT Rama
Rao

Principal Secretary I&C
Mr. Jayesh Ranjan

From the Secretary's Desk

It is my pleasure to launch this newsletter in the beginning of the new financial year 2018-19. Industries Department has made tremendous strides in the past year. We have formally launched our State Initiative of Telangana Industrial Health Clinic Ltd. (TIHCL), an NBFC on the 2nd of

April for support of revival and growth of MSEs in the state. In addition, We-Hub incubator, which is specially geared towards development of Women entrepreneurs was launched on the occasion of International women's day.

I am proud to inform that during Wings India 2018 we received the award for "Best State with a dedicated outlook in the Aviation Sector". We have attracted cumulative investments of Rs. 1,24,664 Cr. through our flagship initiative TS-iPASS, creating 1.87 lakh jobs. Among the mega projects we have attracted reputed companies such as

Youngone Corporation, ISE Foods, Welspun, RPSG Group, Biocon, Safran etc.

In the last few months, we have started many initiatives for awareness building of entrepreneurs as well as department officials. Programs such as 'Digitizing MSMEs', 'District Pakhwada', GeM portal session and cluster workshops have been conducted at various locations across the state in the last 6 months. We hope to increase our momentum in the coming year with the support of our officials and industry members. Wishing you all a productive year ahead.

IN THIS ISSUE

1. Secretary's Note, TIHCL & We-Hub
2. RICH, Accolades, Events and Awareness Sessions & State Policy Updates
3. Events and Awareness Sessions (Districts), New investments in the state & Central Government Initiatives
4. Entrepreneur Watchspace, Upcoming Events & Policies, Announcements

TELANGANA INDUSTRIAL HEALTH CLINIC - Mapping the road to recovery

Industries & Commerce Minister Shri KT Rama Rao at TIHCL logo launch along with Shri Jayesh Ranjan, Prin. Secy. of I&C Department

CURRENT SCENARIO AND NEED

- 69120 MSE units in Telangana provide employment to 7.82 lakh people.
- As of 2017, a total of 8618 firms have been

designated as sick units by the SLBC. The Telangana Industrial Health Clinic has been set up to bridge the gap between MSEs and business facilitators. It has also received license to function as an NBFC by RBI in January 2018 and was officially launched on April 2nd 2018. **PROCESS MECHANISM OF TIHCL** TIHCL will offer support to MSEs as part of a three-pronged-strategy:

- Margin amount upto 20% of composite loans.
- Techno-economic valuation of MSE firms.
- Equity capital infusion, support for IPOs.

FOCUS AREAS FOR TIHCL IN PHASE 1

TIHCL will primarily focus on leather, food Processing, Agro Industry, Tool Room and Machinery Industry through a cluster driven approach.

SUCCESS STORIES OF THE CLINIC

- One entrepreneur was rescued from SARFAESI Act proceedings by TIHCL which facilitated fast-track payment of Rs 23 lakhs that was to be received by the firm.
- Another small printing firm was also rescued by TIHCL through review of their historical records and coordinating with the bank which had provided the loan.
- 25 entrepreneurs from Sirsilla Textile Park have been rescued from financial collapse and been provided with revival packages.

For further details, please contact the following persons
1. Dr. B.Yerram Raju, Full-time director & advisor of TIHCL at his email id : adviser-tihcl@telangana.gov.in (or) 9885296111

2. Mr. M.Sanjaya, the CEO of TIHCL at ceo-tihcl@telangana.gov.in (or) 9948578944

WE-HUB - Promoting women entrepreneurship

I&C Minister Shri KT Rama Rao at We-Hub launch with Shri Jayesh Ranjan, Prin. Secy. of I&C Department, Smt. Deepthi Ravula, CEO of We-Hub

The We-Hub incubator, launched on 8th March 2018 aims to provide an eco-system for women entrepreneurs through wide range of services including legal support for acquisition of patents, mentorship, bridge between entrepreneurs and investors, government support systems etc. Special focus is on smaller firms wherein support can be provided for incorporation, business development and availing loans. A partnership system will be established with T-Hub, T-Works, T-Fibre and TASK so that entrepreneurs can have end to end support services. A direct

linkage is fostered with the government which can further aid entrepreneurs in receiving support in terms of compliance, incentives and customers. It is funded with a corpus of Rs. 15 crores and will also be backed with funds from the Atal Innovation Programme of NITI Aayog.

For further details, please contact the following
Smt. Deepthi Ravula, CEO of We-Hub at biev-es-itc@telangana.gov.in (or) 9515371362

The Research and Innovation Circle of Hyderabad celebrated its one year anniversary on 24th February 2018. The RICH initiative aims to facilitate a network of top research institutions, academic institutions, scientists, mentors, funders and entrepreneurs in order to undertake important activities for progress of the state. The function was graced by the presence of Shri KT Rama Rao, Minister for Industries, who gave a rousing speech to commemorate the occasion.

For further details about RICH, please visit the RICH website at <http://rich.telangana.gov.in/>

RICH directors of 3 focus sectors at the one year anniversary function along with team member

I&C Minister Shri KT Rama Rao, at the event with Shri Ajit Rangnekar, Director General of RICH

ACCOLADES

1. Telangana State was awarded the “Best State with a dedicated outlook in the Civil Aviation sector” at Wings India 2018, an event jointly conducted by the Ministry of Civil Aviation and FICCI with Telangana as the state partner. The event themed “India-Global Aviation Hub” had participation from 25 states and UTs and 14 airlines. The event also had 4 roundtables which were conducted focussing on the policy and regulatory regime in the aviation sector.

2. The Telangana Industrial Health Clinic Limited, instituted by the Government of Telangana as a fin-tech set up for stressed assets resolution of MSEs was awarded the SKOCH Platinum Award for Smart Governance in 2017. This is an innovative initiative towards improving financial health of MSEs through loan support, advisory services and conflict resolution with banks and other financial institutions.

I&C Minister Shri KT Rama Rao at Wings India 2018 along with Shri Jayesh Ranjan, Prin. Secy. of I&C Department, Mr. Pravin P.A., Director of Aerospace, Mr Sanjay Baru, Secretary General FICCI, Shri Rajiv Nayan Choubey, Secretary Civil Aviation and Smt. Usha Padhee, Joint Secretary Civil Aviation

3. The Research and Innovation Circle of Hyderabad which was instituted by the Government of Telangana was awarded the SKOCH Award for Smart Governance in 2017. RICH aims to bridge the gap in the innovation-entrepreneurship-investment ecosystem.

CENTRAL GOVERNMENT INITIATIVES

DIGITAL MSME SCHEME

The scheme is to encourage SMEs to use cloud computing with subsidy at maximum subsidy of Rs. 1 Lakh and without subsidy at ultra-low cost. Total funds allocated for the scheme is Rs. 85.705 crores. Please register for this scheme at the following website: <http://www.digitalmsme.gov.in/ICT/>

ZED CERTIFICATION SCHEME

MSMEs can register online and provide a self-assessment based on ZED parameters. A certificate is provided with a validity of 4 years after on-site assessment. Financial support of upto 80% is provided for MSME units. Please register for this scheme at the following website : <https://msme.zedcs.com/>

DELAYED PAYMENT PORTAL

Supplier MSE unit can submit online application if payment is delayed by indenting agency. It will be reviewed by the MSE facilitation council and 15 days grace period will be given to the buyer. 1200 out of 5000 cases filed have been resolved. MSEs can file cases at : <https://samadhaan.msme.gov.in>

GOVERNMENT e-MARKETPLACE (GeM)

Govt. of India has created a one stop Government e-Marketplace to facilitate e-procurement of common use Goods & Services required by various Government Departments/Organizations/PSUs. Sellers can register for this scheme and access government tenders at the following website : <https://bid.gem.gov.in/register>

DISTRICT INDUSTRY CENTRES - PROGRESS REPORT

KUMARAMBHEEM ASIFABAD

PROFILE - As one of the border districts of Telangana, Kumarambheem Asifabad is richly endowed with resources with logistic support provided by a state highway in addition to the local road network. Due to the above, it has the capacity to become a food processing hub for the entire southern region of India.

PRESENT SCENARIO - Currently, there are 484 industrial connections in the district with additions as a result of TS-iPASS portal.

INITIATIVES - DIC organized training sessions for DRDO staff in order to raise awareness of state government schemes at the grassroots level. Two Mudra Melas were conducted to facilitate credit provision to MSEs in the district. A proposal to set up an industrial park on 200 acres is under study by TSIIC and the district officials.

RANGAREDDY

PROFILE - Rangareddy is in close proximity to the state capital Hyderabad and is home to the reputed international airport of Telangana state. There is a presence of 4618 MSE units in this district alone with a total investment of Rs. 2556.84 crores. Rangareddy is also abundant in various mineral resources.

PRESENT SCENARIO - 1076 clearances have been issued for 549 enterprises as of April 2018 through TS-iPASS portal.

INITIATIVES - Development of a 14000 acre pharma city with an investment potential of Rs 1 lakh crores is in progress in the district. Proposal of plastic park, fiber cluster and IT park is under way. Despite being a landlocked district, a proposal for establishment of container freight facilities is under evaluation.

ENTREPRENEUR WATCH SPACE

UPCOMING EVENTS & WORKSHOPS

NATIONAL SC/ST HUB PROGRAMME

The NSSH programme will be conducted for districts in Telangana from April to Jun 2018 by Telangana State Leather Industries Promotional Corporation Limited (TSLIPC) with monetary support of Rs 2 crores from Ministry of MSME.

Programs outline:

- Vendor Development Programs to provide a common platform for buyers and sellers
- Skill Development Programs for lower and middle management personnel
- Industrial Awareness Programs for targeted MSME industries
- Entrepreneur Development Programs to develop skills among aspiring entrepreneurs
- A multi sectoral exhibition where MSMEs can display their product profiles

For further details, please contact Mr. D. Srinivas Naik, Vice Chairman and Managing Director of TSLIPC at vcmdtislipc@gmail.com / 9949359339.

UPCOMING POLICIES

TS ELECTRIC VEHICLE POLICY

The upcoming electric vehicles policy aims to establish Telangana as a leading state in the Electric Vehicle space through policy framework which will bridge gaps in the supply side and demand side. The main focus areas for supply side will be R&D, innovation and skilling, whereas focus areas of the demand side are simulating demand for electric vehicles and developing the required charging infrastructure and power back-up.

GRAMEEN INC.

CHANGING LIVES WITH INNOVATION

Grameen Inc. is the sustainable agribusiness unit of Grameen Mall Foundation which supports women farmer Self Help Groups and is located in Hyderabad. Grameen Inc uses a combination of modern technology and ancient expertise to aid in the cultivation, processing and export of high quality super foods. Grameen Mall foundation is exclusively working with 1300 small and marginal women farmers for millets and oil seeds. Grameen Inc. is currently doing private labelling for 22 companies in India. The organization has furthered several causes including sustainable living, social support to marginalized women farmers in Telangana and promoting healthy living. Grameen Inc. offers a full range of products from pure seed oils to ancient super foods.

BEST COMPANY AWARDS

The Industries Department, Government of Telangana is inviting applications for the flagship **Best Company Awards**. Companies will be awarded in 4 categories - micro, small, medium and large units. Within each of these categories, the following awards are instituted :

TOP FINANCIAL PERFORMER	MOST INNOVATIVE COMPANY
BEST CSR PRACTICES	BEST EMPLOYEE PRACTICES

Companies can apply at <http://www.industries.telangana.gov.in/> by 31st May 2018
