\*\*\*\*\*

Under cost reduction measures and saving precious financial resources, the installations of solar root top system on the Polytechnic building vacant root top space is to be undertaken.

The installation will be taken up by TSREDCO (Telangana State Renewable Energy Development Corporation Ltd) on RESCO model. TSREDCO will undertake the tendering and allotment of the RESCO developer on entering power purchase agreement for 25 years period by the concerned Polytechnic Principal.

In this connection, all the Principals of Government Polytechnics are directed to indicate the root top area available with the concerned Polytechnic building under their administrative control and furnish the power consumption and building details to TSREDCO. The staff of TSREDCO will undertake physical verification/survey of the area to work out the feasibility of solar project and also will undertake energy audit to suggest steps to reduce the power consumption in the premises.

Further, the Principals of Government Polytechnics are requested to give required support to undertake this task immediately.

The receipt of the memo shall be acknowledged.
