PM YUVA 2.0 (August 2019- March 2020)

1. Background

Skilling and Entrepreneurship are two distinct yet related functions of MSDE. Consequently, Pradhan Mantri Kaushal Vikas Yojna (PMKVY) and Pradhan Mantri YUVA Yojana (PMYY) are the two pillars of this Ministry. While JSS is also focuses on skilling the youth in sector specific trades to make them job ready and motivate beneficiaries to take up self-employment as a career option. PMYY endeavours to create jobs through entrepreneurship education, training, capacity building, mentoring and handholding. Skilling in specific trades does not ensure entrepreneurial competence amongst the trainees. Thus, to complete the cycle, it is imperative for skilling and entrepreneurship to work in tandem with each other.

Vision

Accelerate job creation by providing end to end entrepreneurship education, handholding and mentoring support to potential and existing entrepreneurs who aspire to start or scale-up their existing enterprises.
