The National Programme on Technology Enhanced Learning (NPTEL) web and video online courses are available on the nptel.ac.in portal for 4 weeks, 8 weeks, and 12 weeks for the faculty of all Government Polytechnics. The learners get a tangible end result in the form of a certificate from the IITs/IISc for their effort.

The Certification courses are offered twice a year (Jan to June-2020, July to Dec-2020). Joining a course is free. Anyone can learn from these courses anywhere and anytime. No pre-requisites, no age limit, no entrance criteria to enroll. Learning can be done by watching videos and this is tested by the weekly assignments, that are to be submitted online within the prescribed deadline. Any queries/doubts you have, you can post in the respective discussion form which will be answered by the faculty and his/her team. There is an optional proctored certification exam that the learner can take for a nominal fee at the end of the course to earn certificates from the IITs. The learner has to be present in person for the exam and currently exams are conducted only in India in about 130+ cities in two shifts. Learner has to appear at the designated exam center to participate in the exam, where his/her id is verified. 25% of the final marks comes from the Assignments and 75% from the Final exam.
